Fire Protection Systems

Design • Fabrication • Installation
Service • Inspections • Maintenance

Dec. 16, 2010

To Whom It May Concern:

Statewide Fire Protection has worked with Lisa Desautels at Graphic Imaging Services on a variety of projects for several years. GIS has always been very professional and efficient in meeting our needs for document management and document control. We have been very pleased with the outstanding quality of their work.

We would highly recommend Graphic Imaging Services to anyone needing document management services.

Sincerely,

Knute Lehmann
