

AUTOCAD 2010 UPDATE & PRODUCTIVITY: DOING THE JOB WITH EASE.

CLASS DESCRIPTION

AutoCAD has been around for a long time. Yet simply using AutoCAD every day does not necessarily make you more productive. You may not realize it, but old habits, bad habits, and inefficient commands and techniques may be robbing you of productivity. You'll become more productive by eliminating clicks and picks—period! In this session, you'll learn the new features introduced in AutoCAD 2010 and you'll learn how to tap into AutoCAD secrets that banish repetitive steps and tasks. After this session, you'll walk away with productivity-enhancing knowledge that you'll be able to apply immediately.

AUTOCAD 2010: WHAT'S NEW?

INTERFACE AND GENERAL ENHANCEMENTS

- Starting AutoCAD
